Synthetic demonstration data. All parties and values are fictional.

1. OFFER

We are pleased to offer for the above package on the basis of the documents issued with your enquiry.

Item	Value
Tender sum (excluding VAT)	EUR 5,294,520
Currency	EUR
Programme, instruction to completion	30 weeks
Validity	90 days from the date of this offer
Form of subcontract	YSE 1998, subject to section 4 below

2. INCLUSIONS

- Insulated composite cladding, $U = 0.17 \text{ W/m}^2\text{K}$
- Warm roof build-up, $U = 0.09 \text{ W/m}^2\text{K}$
- Acoustic louvres to cooling intake and discharge
- Personnel and equipment doors including 3.0 x 3.5 m equipment doors
- Rainwater goods and syphonic drainage
- Airtightness works and testing to $q_{50} \leq 1.0 \text{ m}^3/(\text{h.m}^2)$
- Roof safety line, walkways and access hatches

3. EXCLUSIONS

The following are **excluded** from our tender sum:

- Airtightness testing and remedial works excluded
- Acoustic performance of louvres not warranted

4. QUALIFICATIONS

- Louvre free area based on our standard product; if the cooling intake velocity requires greater free area, re-pricing applies

5. EXCEPTIONS TO THE FLOW-DOWN TERMS

Item	Our position	Note
Performance warranty	Materials only, 10 years	We owe a 45 dB(A) boundary limit and a 25-year envelope life
Payment	21 days	Main contract pays us at 45 days
Delay damages	Not accepted	Gap

6. PROGRAMME AND LEAD TIMES

We require **30 weeks** from instruction to completion of our works, sequenced to suit your sectional completion dates.

Long-lead items are stated in our qualifications above where relevant.

7. SIGNATURE

For and on behalf of Nordic Facade Systems Oy

Signed: Date: 19 March 2026

Note: this offer contains exclusions. Please refer to section 3 when comparing it with other returns.
