

TENDER OFFER — TP-005 MECHANICAL — CHILLERS, DRY COOLERS, CRAH & PIPEWORK

From: Kylmä-Nordic Oy
Our reference: KN-4408
To: NordBuild Oy
Project: Polaris DC-1 — Aviapolis Data Campus, Phase 1, Vantaa
Date: 19 March 2026
Validity: 90 days

Synthetic demonstration data. All parties and values are fictional.

1. OFFER

We are pleased to offer for the above package on the basis of the documents issued with your enquiry.

Item	Value
Tender sum (excluding VAT)	EUR 20,623,680
Currency	EUR
Programme, instruction to completion	52 weeks
Validity	90 days from the date of this offer
Form of subcontract	YSE 1998, subject to section 4 below

2. INCLUSIONS

- Chillers (4 nr, N+1) and dry coolers / adiabatic units (10 nr)
- CRAH units, 7 per hall (N+1)
- Chilled water pipework, pumps, buffer vessels and glycol dosing
- Waste-heat recovery plant, not less than 4 MW at not less than 70 C flow, to the site boundary chamber
- Ventilation, smoke extract and comfort cooling to ancillary areas
- Water treatment and adiabatic make-up within WUE <= 0.25 L/kWh
- Free cooling not less than 8,300 hours per year
- Mechanical commissioning support to L4 and L5

3. EXCLUSIONS

The following are **excluded** from our tender sum:

- Waste-heat recovery plant excluded
- L5 integrated load-bank testing support excluded

- Water treatment and adiabatic make-up excluded

4. QUALIFICATIONS

- Free cooling hours modelled at 7,900 per year, below the 8,300 required by the Employer's Requirements
- PUE contribution not warranted

5. EXCEPTIONS TO THE FLOW-DOWN TERMS

Item	Our position	Note
Performance guarantee	Not offered	We owe an annualised PUE of 1.25 and WUE of 0.25
Liability cap	10% of subcontract sum	Material gap
Payment	21 days	Main contract pays us at 45 days

6. PROGRAMME AND LEAD TIMES

We require **52 weeks** from instruction to completion of our works, sequenced to suit your sectional completion dates.

Long-lead items are stated in our qualifications above where relevant.

7. SIGNATURE

For and on behalf of Kylmä-Nordic Oy

Signed: Date: 19 March 2026

Note: this offer contains exclusions. Please refer to section 3 when comparing it with other returns.
